

COALMINING IN RUSSIA – 2006

VOLUME I.

COAL PRODUCTION & PROCESSING

RUSSIA'S BACKGROUND	6
Geography	6
Natural Resources.....	7
Population	7
State System	7
Russia's macroeconomic indicators	9
Industrial manufacturing structure	17
Industrial manufacturing in % to 1991	20
COAL MARKET IN RUSSIA	22
MARKET SUMMARY	22
1. <i>Market Challenges</i>	22
2. <i>Market strategies</i>	26
3. <i>Issues & Bottlenecks</i>	28
KEY FIGURES OF RUSSIA'S COALMINING.....	30
<i>Industry's key manufacturing indicators</i>	30
INDUSTRY'S HISTORY.....	44
1691 – 1917.....	44
1917 – 1941.....	44
1941 – 1960.....	45
1960 – 1991.....	45
1991 – 2001.....	46
<i>Modern stage (since 2000)</i>	56
<i>Recent events</i>	58
CLASSIFICATION OF COAL IN RUSSIA	60
COAL PRODUCTION.....	65
Coal production in Russia.....	65
Coal production dynamics	71

Coking coal production dynamics	75
Underground coalmining dynamics	79
Open pit coalmining dynamics	83
Coal production by company	87
Coal production in fuel equivalent	96
COAL BASINS AND DEPOSITS	107
Natural resource deposits in Russia	107
Coal production by basin.....	109
Mineral coal production by basin and grade.....	113
Coking coal production by basin.....	127
Coking coal production by basin and grade	130
Brown coal production by basin and grade	138
COALMINING REGIONS	152
COAL PRODUCTION BY REGION.....	152
KEY REGIONS.....	158
1. <i>Komi region</i>	159
2. <i>Tula region</i>	164
3. <i>Rostov region</i>	169
4. <i>Chelyabinsk region</i>	174
5. <i>Kemerovo region</i>	180
6. <i>Novosibirsk region</i>	185
7. <i>Krasnoyarsk region</i>	189
8. <i>Irkutsk region</i>	195
9. <i>Chita region</i>	201
10. <i>Buryatiya region</i>	205
11. <i>Tyva region</i>	210
12. <i>Khakasiya region</i>	215

13. Yakutiya region.....	220
14. Primorsky region.....	226
15. Khabarovsk region	234
16. Amur region	240
17. Magadan region	244
18. Sakhalin region.....	249
COALMINES.....	255
Coalmining capacity lead-in and lead-out.....	255
Number of underground and open pit mines.....	256
Daily and annual average coal production per 1 coalmine	266
Coal production by mining method	269
UNDERGROUND COALMINES	284
Number of underground coalmines by capacity	284
Share of underground coalmines by capacity	289
Mechanization in underground coalmines	292
Mechanization in layers with inclination less 35 degrees.....	299
Effective stopes	306
Effective stopes by inclination angle and layer capacity.....	308
Coal production in effective stopes by inclination angle and layer capacity	311
Stope line average length	315
Mine roadway length by type.....	318
Effective stope line average monthly movement	321
Layer average strength	324
Mechanised longwalls by daily production	327
Coal production per 1 square meter of cutting area	329
Loading mechanization	332

Mining and overlying management methods.....	335
OPEN PIT COALMINES.....	340
Number of open pit coalmines by capacity	340
Share of open pit coalmines by capacity	344
Overburden removal by transportation method.....	348
Annual productivity of shovel excavators	356
COAL REPROCESSING.....	359
Number of coal enrichment plants.....	359
Coal processing	362
Coal processing, concentrate and other products output	364
Large and middle size coal output.....	365
Drying units	367
Thermal coal grading.....	369
